STATEMENT OF ADDITIONAL
GROUND FOR REVIEW

Adrian Alvarez

(your name)

Appellant.

I, Adrian Alvarez, have received and reviewed the opening brief prepared by my attorney. Summarized below are the additional grounds for review that are not addressed in that brief. I understand the Court will review this Statement of Additional Grounds for Review when my appeal is considered on the merits.

Additional Ground 1

I know that I was wrongfully convicted by false testimony due to the last surviving victim she does not describe me, or testify saying I was the person who shot at her she describes my codefendant there is no evidence pointing to me saying I was the shooter besides my codefendant testimony which he does not fully tell the truth on the stand

Additional Ground 2

the prosecutor was presenting evidence then kept implying his own opinion to the jury of what he thinks happened the night of the murder the prosecutor told the jury that Alvarez was bragging about killing Doss on social media and text messages but was no text messages found he also told the jury that Alvarez got a tattoo on the face saying that he killed someone which is a lie my codefendant testifies say that is not why Alvarez got the tattoo

If there are additional grounds, a brief summary is attached to this statement.
